

## Welcome...

*For untold centuries the magic of the Great Silk Road has woven a spell for those enchanted by "out-of-the-way" places. To you who have said "There is nothing new," and particularly you who see Central Asia as more routine... here is an unrivaled opportunity to enjoy a new and different experience.*

*This special Central Asia Adventure is created for people looking for unusual and intriguing, comfortable travel.*

*Because our emphasis is on "out-of-the-way" places, this adventure is exclusively for those who welcome adventure and are prepared to accept the uncertainties, as well as the rewards, of travel in many regions where the American is virtually unknown.*
