# LOST ISLANDS of the SOUTH PACIFIC

This trip is full of adventure. The South Pacific is an extraordinary destination.

Each country has a unique appeal. We use the best hotels in the Pacific as well as the leading Pacific Airlines. Because our emphasis is on "out of the way places", this adventure is exclusively for those who welcome adventure and are prepared to accept uncertainties, as well as the rewards of travel in many regions where the American is virtually unknown.

## 29 Days Visiting:
